AT THIS TIME- CALL DONNA FOR
UPDATES**

WE ARE NOW OPEN TO THE PUBLIC FOR WALK-INS WITH REDUCED CAPACITY AND WE ARE STILL OFFERING IN-PERSON SCHEDULED APPOINTMENTS

IN-PERSON AND WALK-IN APPOINTMENTS

Walk-Ins: We are allowing walk-ins at this time, with reduced capacity.

Appointments: An appointment is required to come into the showroom at this time and we request 48 hours' notice if possible. This ensures that you will not have a wait or return later should you arrive when we are already serving two client groups.

Two Client Groups at a Time: Each showroom will accommodate only two client's groups at a time (a maximum of 3 people in group). Currently, we are not allowing children in the showroom.

Temperature Check: We will take the temperature of all showroom guests (a touchless thermometer will be used) before they can enter (100.4 or less for entry).

Masks and Gloves: All clients must bring a mask to wear and we will supply gloves upon arrival.

Social Distancing: All clients should practice social distancing while in the showroom.

Cleaning: The showroom will be sanitized after each client visit during the day. Which includes wiping down any elements that have been touched.

PHONE APPOINTMENTS

We will continue to offer video and phone consultations by appointment as well. However you choose to connect, we are here to make your dreams reality.
