- iCOMM™ Smart Connectivity with Leak Detection (Available on HTPS Models only)
- Smart Anode
- ENERGY STAR[®] certified

\$750 to \$1,000 INSTANT REBATE

MassSave[®] offers a \$750 instant rebate on heat pump water heaters in Massachusetts installed in residential and multifamily applications. The instant rebate is \$1,000 in commercial and industrial applications. All sizes qualify, 50, 66 and 80 gallon.

A partnership between MassSave[®] and participating plumbing distributors.
Offer valid on purchases through December 31, 2023.

HOW TO GET THE INSTANT REBATE:

- Buy a Heat Pump Water Heater [HPWH] for a residential installation. The HPWH can replace a water heater of all fuel types. Municipal electric customers are not eligible.

FEDERAL TAX CREDIT 30% OF TOTAL INSTALLED COST UP TO \$2,000 ON EITHER THE HPTS OR THE HPTU MODELS

Customers may also be eligible for a Federal Tax Credit when they purchase a Heat Pump Water Heater in 2023.
